### Catholic Social Teaching

- Participation and Subsidiarity
- Human Dignity
- Common Good
- Solidarity

- What was happening in the world when Pauline Jaricot founded the Society for the Propagation of the Faith? What challenges did she face?
- How does the Lideta Catholic Cathedral School provide opportunities for children in Ethiopia?
- What does “sustainable development” mean? How are the projects we support sustainable?

- Interview a woman in your life about their job. Could a woman in other countries have access to the same job?
- What revolutionary shift in equality occurred in US soccer as of this year? Does this exist in other sports too?
- Read Awer Mabil’s story. What are the values he learnt while living in a refugee camp, and what does he not want from people?

- Buddy up with a younger student, or family member, and teach them how to make a sockball. Help them to understand why you are making one.
- Master a new soccer skill. Note the steps you took to learn it. Would these be different for a student from Ethiopia?
- Think about what job you want to do when you finish school. What is one small thing you can do today towards achieving that?
