HEAD

- "These days there is a lot of poverty in the world, and that is a scandal when we have so many riches and resources to give to everyone. We all have to think about how we can become a little poorer."

What is Pope Francis suggesting to us? How can we become a little poorer?

- Use the Frayer Concept Model to explore a definition of service.

HEART

- Reflect on the scripture in the Head component. What is your mission, how are you called to serve? Give examples of how you can do this every day.
- Cardinal Marengo of Mongolia says, 'Be an apostle where you are'. How can I be an 'apostle' where I am? What does this look like? Consider your response and record it in your journal.

HANDS

- Write a pledge about your mission and how you will serve. Put it somewhere you see it each day and reflect at the end of each day, 'Did I live out my pledge'.
- Dramatise the parable of the Good Samaritan. How could this story be told in a modern context?
