How can we hold this joy inside the Spirit has awakened?

Oh let every heart lift with one accord

G

And sing out the name of Jesus our Lord.

G

The wonders we have seen and heard! The wonders we have witnessed!

C G

God's own life and love revealed! God's mercy and forgiveness!

D

And now the Spirit moves us to share with one and all

G

The name above all other names: Jesus, our Lord.

C

G

A gift has been poured out on us: God's own peace and joy!

C G D

A gift has been poured out on us. In the Spirit we rejoice!

A gift has been poured out on us: God's own peace and joy!

A gift has been poured out on us. In the Spirit we rejoice!

How can we keep from speaking? How can we not acclaim him?

How can we hold this joy inside the Spirit has awakened?

Oh let every heart lift with one accord

And sing out the name of Jesus our Lord.

Oh let every heart lift with one accord

And sing out the name of Jesus our Lord.
